

Faculty Success/Digital Measures Training and Consultation

Adam Schaeffer holds trainings on the last Wednesday of every month at 10AM PST; here is the [registration link](#) for those Faculty Success trainings. You can also use Adam's Bookings page to schedule up to a half hour 1:1 training: [Book time with Schaeffer, Adam: Faculty Success One on One](#). If neither of those options work, access the self-guided trainings available on the OSU intranet, <https://digitalmeasures.oregonstate.edu/training>.
