Oregon State
University

Goals for Classroom Seed-Starting Kits

- Prioritize returning schools and classrooms
- Provide similar supplies in classroom kits, easy-to-grow seeds
- Personalized outreach to partner teachers/schools/programs
- Aiming to send one seed-potato growing kit per school or program

2024 Classroom Seed-Starting by the Numbers

- **172** Pre-schools, **66%** Head Start/Early/Preschool Promise/OCDC
- **942** Elementary/Primary, **72%** partner schools
- **166** Middle Schools, **55%** partner schools
- **55** High Schools, **36%** partner schools
- **99** Oregon school districts
- CK or seeds used by students/households **in all 36 counties** and **8 of 9 tribal locations**.
