

# SNAP-Ed Gardening

## Grow This! 2025

- Group Mini Kits – all sent
  - Classroom Kits – all sent
  - Household Kits – packing now
  - Potato Kits – starting now
- 

## Pollinators

- All pollinator education must relate to nutrition.
- Ex. I planted sunflowers vs. I also planted sunflowers to help attract pollinators for the zucchini.
- The bee book can help provide nutrition-related justifications for planting flowers.
